

KCBC - Parents Frequently Asked Questions

What can I do to help my child have a great camp experience?

- If possible, visit the camp ahead of time to familiarize your child with the campgrounds, cabins and other general surroundings. Remove this line
 - Consider arranging a first-time camper to attend with a close friend, relative, or camp "buddy".
 - Do not tell your child in advance that you will "rescue" him/her from camp if he/she does not like it.
 - Discuss what camp will be like well before your child leaves home, acknowledging feelings; role-play anticipated camp situations such as using a flashlight to finding the bathroom.
 - Send a letter to the Registrar for your child before camp begins so he/she will have a letter waiting for his/her arrival.
 - Allow your child to pack a favourite stuffed animal and/or picture so he/she will have a reminder of home.
-

How do I Handle Homesickness?

- Talk candidly with the Program Director to obtain his/her perception of your child's adjustment.
 - Resist the temptation to "rescue" your child.
 - Acknowledge your child's feelings and communicate your love.
 - Support your child's efforts to work out the problems with the help of camp staff.
 - Remind him/her, if necessary, that he/she has made a commitment.
 - Trust your instincts; the occasional child who is truly having a difficult adjustment should be allowed to return home after a reasonable amount of time and effort.
-

What are the Fees and are there Refunds?

The \$50 deposit is non-refundable. The balance of the camper fee is due the day of registration for that confirmed camp or if paying by PayPal, payment is made at time of registration. If your child is unable to attend please cancel within 10 days of the confirmed camp by calling the Registrar Laura Nelson @ 250-428-9048. In this way, that spot may then be available for another camper.

Is there assistance towards helping with registration fees?

We don't want any camper to miss the opportunity to attend camp because of the cost so we have some funds available for **CAMPSHIP** grants. If you require assistance please contact the registrar at registrar.kcbc@gmail.com or Laura Nelson 250-428-9048. The \$50 registration fee is not covered by any CAMPERSHIP grants.

What is the policy on Cabin Mates?

Cabin assignments are made by the staff, prior to the start of each session. We will try, whenever possible, to honour the request of up to two friends wanting to bunk together, if the request is made with pre-registration.

What are the guidelines for Phone Calls?

The campers are encouraged not to use the phone other than for emergencies. If an emergency arises at home, please contact the Kitchen @ 250-225-3415 and they will see the message gets to the camper to return your call.

Do I send food with my child?

Please do not send food to camp with your child. We serve them three hearty meals a day plus afternoon and evening snacks plus TUCK (canteen) times. Food in the cabins encourages unwanted guests!
